Comfortable Rides with Confidence, Wherever You Go

The Odin Scooter delivers a smooth, stable, and secure ride, helping you enjoy your day with comfort and peace of mind. Designed for both daily errands and longer trips, it combines supportive seating, reliable suspension, and intuitive controls for a ride that feels effortless from start to finish.

Reliable Performance

High-torque motor (700W) allows users to navigate steeper inclines.

Plush, Supportive Seating

Features a deeply padded, adjustable captain's seat with suspension, and flexible tiller. Seat slides, swivels and reclines for perfect positioning.

Smart Safety

Emergency stop button and automatic speed reduction while turning keeps you safe and secure.

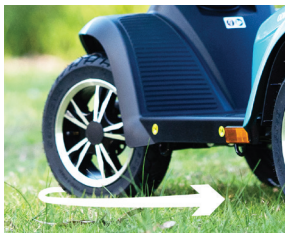

Comfortable Ride

Independent suspension absorbs bumps and reduces vibrations for comfort on uneven surfaces.

Digital Dashboard

Clearly shows battery life, speed, and other key information, giving you confidence while you travel.

Effortless Steering in Compact Spaces

A 1660mm turning circle allows smooth manoeuvring around shop aisles and community spaces.
