OSCAR SCOOTER
MEDIUM

Agile, Reliable, and Built for Everyday Use

The Oscar Scooter is designed for users who value practical mobility and confident handling. Its compact frame, responsive controls, and reliable power make it perfect for everyday trips, whether in local shops, or around your community.

Extended Travel Range

Large lead-acid battery offers up to 39km on a single charge, reducing the need for frequent recharging.

Plush, Supportive Seating

Features a deeply padded, adjustable captain's seat and flexible tiller. Seat slides, swivels and reclines for perfect positioning.

Smart Safety

Emergency stop button and automatic speed reduction while turning keeps you safe in unexpected situations.

Comfortable Ride

Independent suspension absorbs bumps and reduces vibrations for comfort on uneven surfaces.

Simple and Intuitive Controls

Straightforward analogue interface is easy for new and experienced users to operate.

Compact and Agile Navigation

With a 1400mm turning circle, it easily manoeuvres in tight indoor spaces and busy community areas.
