Zero Gravity and Tilt-in-space: Create a feeling of weightlessness by elevating your legs above your upper body, with only a limited amount of space needed behind the lift recline chair

Adjustable Airline-style Headrest: Can be raised, lowered, or wrapped around your neck and head to provide superior support

Three Level Massage and Heating: Backrest massage combined with seat and backrest heating provides an optimal comfort level for year-round relaxation

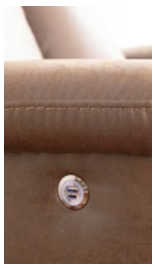

Integrated Leg Extension: Provides improved support under the lower legs for a wide range of users

Electric Headrest Adjustment: Offers customisable neck positioning at the press of a button

Durable and Safe: Scratch-resistant materials and protective covers extend the life of the chair, and a built-in safety barrier keeps pets away from moving parts

Stay Connected: Conveniently placed USB-A and USB-C charging ports in both the armrest and handset for phones, tablets, and other devices

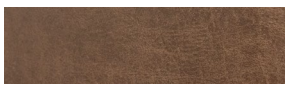

Large Button Handset: High-visibility backlit buttons are easy to use

Battery Backup: Complete a lift and recline during power outages

Storage Pockets: Keep your belongings close by

Handset Loops: Ensures the handset is always within reach
