Stable and Secure on Every Trip

4-wheel independent suspension provides a steady ride over varied terrain.

Extended Daily Travel

High-capacity lead-acid batteries deliver up to 40km of range per charge for peace of mind when out and about.

Designed for Easy Manoeuvring

A tight 1565mm turning radius makes navigating narrow paths, shop aisles, and small community spaces simple.

Plush, Supportive Seating

Features a deeply padded, adjustable captain's seat and flexible tiller, seat slides, swivels and reclines for perfect positioning.

Simple and Intuitive Controls

Straightforward analogue interface is easy for new and experienced users to operate.

Smart Safety

Emergency stop button and automatic speed reduction while turning keeps you safe in unexpected situations.
