VIDA X
Manual Wheelchair

Lightweight mobility designed for everyday independence.

The Aspire VIDA X is a modern, ultra lightweight wheelchair designed to help people move more freely, comfortably, and confidently throughout the day. Combining ergonomic comfort, lightweight performance, and practical design, VIDA X makes everyday movement easier for both users and caregivers. With sporty 22" mag wheels, contemporary frame finishes, and subtle upholstery detailing, the VIDA X delivers reliable performance with a modern aesthetic.

7.5kg Minimum Weight Chair
Lightweight aluminium frame makes the chair easier to propel, lift into vehicles, and transport when travelling.

Anti-tippers for Stability and Safety
Navigate everyday environments with confidence with additional rear stability to help reduce the risk of backward tipping when moving across ramps, slopes, or uneven surfaces.

Ergonomic seating comfort: Padded seat and backrest follow natural bvody contours to support posture, and enhance everyday comfort.

Sporty 22” mag wheels: Large rear wheels provide smooth propulsion, reliable performance, and a modern, sporty look.

Soft padded armrests: Provide additional comfort and support when seated for longer periods.

Swing-away legrests: Height adjustable legrests allow easier transfers, and flexible positioning for different users.

Integrated rear storage pouch: Convenient storage keeps personal items, and essentials within easy reach.

Modern frame finishes: Choose from a matte black frame with red accent stitching, or a shiny purple frame with purple upholstery detail.

Compact folding design: The chair folds easily for convenient transport, and storage.

Quick release rear wheels: Rear wheels remove quickly to reduce chair size when transporting in vehicles.
