Lifecomfort® Mattresses

For over a decade, Lifecomfort Mattresses have set the standard for sleep surface quality and performance in Australia. Featuring durable hospital-grade polyurethane-coated covers and advanced multi-layer foam construction, they deliver comfort, support, and pressure redistribution across a wide range of users and care environments.

Infection Control welded seams and waterfall over zippers on mattress covers

Asset management enabled through unique batch serial numbering

Integrated rotation guide ensures optimal mattress positioning compliance

4-side Zipper easily removable cover for effective cleaning

Hospital-grade suitable for bleach concentrations up to 10,000ppm

4-way Stretch Waterproof Fabric for enhanced shear mitigation and friction reduction

Carry Handle integrated handles for safe manual handling

Immersion Surface cradles and contours around the user for personalised pressure relief and comfort

Lifecomfort® Standard Mattress

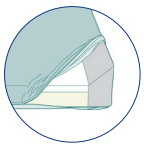

SWL 120KG L

- This dual layered mattress with visco-elastic (memory foam) upper is an economical comfort solution for in home use by light weight users
- Soft and supportive surface designed is ideal for palliative care
- Optional adaptation of the Lifecomfort Standard Mattress to include side wall support to help minimise the risk of falls from bed

Lifecomfort® Acute Care Mattress

- Ultra-soft Heel Protection Zone improves pressure relief for vulnerable points
- By gently tapering the heel area, pressure is redistributed effectively onto the less vulnerable calf area
- The sidewall assists with patient transfers as well as creates roll resistance at the sleep surface edge

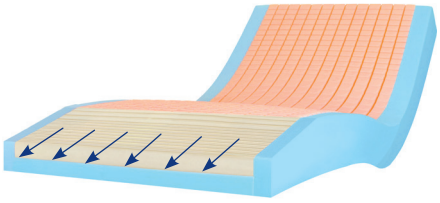

FOAM LAYERS

Immersive Castellated Surface 50mm
Castellated cells offer greater airflow and transitional support

Comfort Layer 50mm
Visco-elastic comfort and envelopment

Safety and Support Base 50mm
Strong U-shaped base for maximum durability and support

Integrated Side Walls
Strong rigid side layers for transfer efficiency and safety
