OVERBED TABLES

Designed to accommodate items within easy arm's reach from a bed or chair

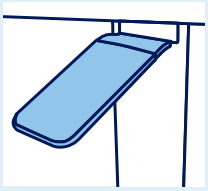

OVERBED TABLES

Aspire Overbed Tables are designed to conveniently accommodate meals, drinks, reading materials, tablet devices and other items within easy arm's reach from a bed or chair.

Adjustable in height and with locking castors, the robust steel frame and reinforced base mount provide a very stable and secure tabletop.

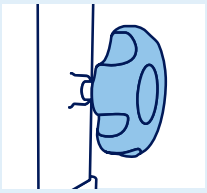

Customisable options and bespoke finishes are available to meet your interior design aspirations.

The range includes a tilt top model with a wider base, designed to fit around most lift recline chairs.

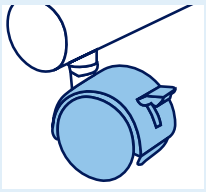

HEIGHT ADJUSTMENT LEVERS

Smooth height adjustment is easily accessible to users and carers.

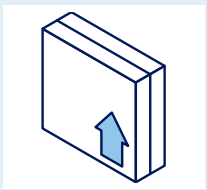

HEIGHT ADJUSTMENT LOCK

When fastened, will lock the height and prevent adjustment by users.

TWO LOCKING CASTORS

The table position can be secured to prevent it rolling away in use.

FLAT PACK CARTON DESIGN

For freight and storage efficiency and protection.

1 YEAR LIMITED WARRANTY

INFECTION CONTROL

THERMOFORMED SURFACE

An impermeable surface layer continues over and down the vertical edges so it is easily wiped clean.

SPLIT TILT TOP

- Top can be tilted and fixed in position to suit the user, while the smaller surface remains horizontal to hold drinks or other items.
- Wide base model fits around most lift recliners and chairs
- Locking tilt mechanism eliminates surface movement in all positions
- Spring loaded locking handle ensures perfect alignment and alleviates wobble of tabletop
