HEALTHCARE EQUIPMENT

ICON 30 FAF

THE LIGHTWEIGHT WHEELCHAIR

ICON 30 FAF is a stable, foldable wheelchair specifically designed for outdoor activities. It's fixed anterior frame (FAF) and multiple adjustment options allow it to be tailored specifically for the users needs to maximise performance and comfort. Constructed from high-strength aluminium tubing with reinforced side frames, it provides a stable and safe connection for PAWS and Eco Assist Power Add-ons.

Foldable Rear Handles
Enables the chair to be propelled by a carer or family member

Camber
Up to 6° of rear wheel camber

Drop-in Armrests
Facilitate side transfers

Footplates
Height adjustable to suit multiple user heights

REAR WHEEL OPTIONS

Sold separately
