Mangar Lifting Range

Safe lifting solutions for post fall management

Mangar Eagle Lifting Cushion Shown

Safe and Dignified Lifting: Lifts a fallen person from the floor with minimal effort, ensuring their comfort and dignity.

Use Anywhere: Lightweight, portable, and suitable for both indoor and outdoor use, even in confined spaces like bathrooms.

Simple to Use: Operated by a single person with an intuitive hand control and the Airflo Compressor. No special training is required.

Reduces Risk of Injury: Protects caregivers from musculoskeletal injuries associated with lifting.

Hygienic and Easy to Maintain: The cushions are easy to clean, and they deflate and fold away for convenient storage in the provided carry bag.

Versatile for Different Needs: The range includes options for lifting people of different weights, with some models offering backrest support for added stability.

Mangar Eagle Lifting Cushion LSS403800

Lifts and Sits Up: Capable of both lifting a fallen person and helping them into a seated position.

Ideal for Confined Spaces: It has a small footprint, making it suitable for use in tight areas like bathrooms.

Backrest Support: The inflatable backrest provides support for the back, head, and shoulders, which is beneficial for those with reduced sitting balance.

2 YEAR WARRANTY | SWL 220kg | Clinical Assistance Guide

Length	Width	Max Height	Seat Depth	Backrest Length	Product Weight
1120mm	640mm	560mm	570mm	520mm	4.5kg

Mangar Camel Lifting Cushion LSS403810

Designed for Bariatric Patients: The added backrest support is specifically mentioned as catering perfectly to the needs of bariatric patients.

Gentle Lifting Mechanism: Providing comfort for individuals with cognitive impairments.

2 YEAR WARRANTY | SWL 320kg

Length	Width	Max Height	Seat Depth	Backrest Length	Product Weight
1120mm	700mm	560mm	470mm	810mm	6.5kg

Mangar Elk Lifting Cushion LSS403820

Highest Lifting Capacity: The Elk is the most powerful lifting cushion in the range.

Focus on Lifting from the Floor: It is specifically designed to lift a person from the floor.

Compact and Simple: Despite its power, it has a small footprint and is straightforward to operate.

2 YEAR WARRANTY | SWL 450kg

Length	Width	Max Height	Product Weight
500mm	570mm	565mm	3.6kg

Mangar Rhino & Swift Supine Transfer System LSS403830

Complete Transfer System: Includes the Rhino Lifting Cushion and the Swift Transfer Slide.

Focus on Healthcare Workers: Enables healthcare workers to lift and transfer patients with minimal moving and handling.

Supine Transfers: Allows for the complete supine (lying on their back) transfer of a patient.

Lightweight System: The entire system, including the cushion and slide, weighs under 20kg.

2 YEAR WARRANTY | SWL 500kg

Length	Width	Max Height	Product Weight
2040mm	1120mm	720mm	12kg*

*12kg plus bag (less than 20kg in total)
