Roku® Table

Introducing the Roku® Table, an innovative hexagonal design crafted from rotationally molded polyethylene. It features complete anti-ligature and concealment-free properties, making it robust, durable, and suitable for both indoor and outdoor use. This table prioritises safety and functionality.

**Colours shown for illustrative purposes only, with accompanying Roku Tub Chairs.*

- Weighted durable table suitable for multi-environment use, including high-security areas
- Rounded corners, difficult to pick up and grasp, maximising safety and minimising misuse
- Hexagonal shape offers complete anti-ligature and concealment free design
- Excellent impact strength and chemical resistance
- UV stabiliser for indoor or outdoor use
- Tested and compliant to BS EN 16139:2013
